By signing this Agreement, Employee agrees to modify his/her salary as indicated above and Employer agrees to contribute this amount on Employee's behalf into the 457(b) annuity(ies) or custodial account(s) selected by Employee and authorized by the Employer. It is intended that the requirements of all applicable state and federal tax rules and regulations (Applicable Law) will be met. Employee understands and agrees that this Agreement:

1. Is legally binding and irrevocable with respect to amounts paid or available while it is in effect; however, is effective only for amounts not yet earned or made available.
2. May be terminated at any time for amounts not yet paid or available, and that a termination request is permanent and remains in effect until a new salary reduction agreement is submitted;

Employee further agrees that:

- In conjunction with his/her Employer, he/she is responsible for determining that his/her salary reduction amount does not exceed the limits of the Applicable Law;
- He/she is responsible for the accuracy of information provided by Employee, which is used in determining Employee's maximum annual contribution limit;
- Employer has no liability for any losses suffered by Employee that result from his/her participation in the 457(b) plan;
- He/she acknowledges that Employer has made no representation to Employee regarding the advisability, appropriateness or tax consequences of the purchase of the 457(b) plan. Nothing herein shall affect the terms of employment between Employer and Employee;
- This agreement supersedes all prior 457(b) salary reduction and/or deduction agreements and shall automatically terminate if employment with Employer is terminated.

Important Information

- Although Employer must authorize Service Providers, Employer does not choose the annuity contract(s) or custodial account(s) in which 457(b) contributions are invested.
- Employees are responsible for setting up and signing the legal documents to establish the annuity contract or custodial account, except for certain group annuity contracts under which Employer may be required to establish the contract.
- In order to receive the expected tax results, Employees are responsible for investing in annuity contracts or custodial accounts that meet the requirements of Section 457(b) of the Internal Revenue Code.
- Employees are responsible for naming a death beneficiary under the 457(b) plan. This is normally done at the time the annuity contract or custodial account is established. Beneficiary designations should be reviewed periodically.
- Employers are responsible for all distributions and any other transactions with the Service Provider. All rights under the annuity contracts or custodial accounts are enforceable solely by Employee, Employee's beneficiary or Employee's authorized representative. However Employer has certain responsibilities under the 457(b) Plan with respect to the integrity of the transactions for the Plan and may require an authorized representative from the Employer (or their Designee) to approve any requested transaction by Employees.
- Employee must cooperate directly with Service Provider, Employer, or their Designee, as directed by Employer to transfer contract(s) or custodial account(s) to another Service Provider, begin distributions, make loans, exchanges or otherwise access 457(b) plan assets.
- Employees are responsible for determining that salary reductions do not exceed the allowable contribution limits under Applicable Law.
