Instructions Employers

You must complete the Group Information and sections A and J in order for this application to be processed.

Employees

You must complete sections B through I and submit the signature of each Over-Age Child for which a Dependent Under 31 Continuation Election is made in accordance with Section J in order for this application to be processed.

- Please PRINT except when a signature is requested.
- If a dependent is disabled and you want to continue his or her coverage beyond age 26, you do not have to make a COBRA/NJSGC or Dependent Under 31 election. Instead, select "Other" in Section A, and attach proof of disability.
- Total Disability and COBRA are available continuation options under Vision coverage; Dependent Under 31 continuation is not available under Vision coverage.
- You can obtain the providers' correct names from the appropriate provider directory. You may also obtain each provider's NPI and LOC Code number from the provider directory or at: www.HorizonBlue.com. Providers with multiple office locations and individual providers who belong to more than one practice or provider entity may have more than one NPI number. You should confirm the correct NPI number for the specific provider and office location where you will be seen by contacting that office directly.

I agree that this authorization shall be valid for 30 months from the date I sign this Enrollment/Change Request form, unless revoked at an earlier date.

Misrepresentations

Any person who includes any false or misleading information on an Enrollment/Change Request Form for a health benefits plan is subject to criminal and civil penalties. Notices

General Notice of Special Enrollment Rights

If you are declining enrollment under your group health plan for yourself and/or your dependents (if your plan includes coverage for dependents) because of other health insurance or other group health plan coverage, you may be able to enroll yourself and those dependents in this group health plan if you or the dependents lose eligibility for that other coverage (or if the other employer or plan provider stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 31 days after your or your dependents' other coverage (or after the other employer or plan provider stops contributing toward the other employer or plan provider stops contributing toward the other coverage).

In addition, if your plan includes coverage for dependents and you acquire a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents under this plan after declining its coverage. However, you must request enrollment within 31 days after the marriage, birth, adoption or placement for adoption.

If you decline coverage under this plan, you may be asked to state in writing whether the declination was due to the existence of other health coverage. If this is so and you don't provide the statement, the above special enrollment rights may not be available to you if you need them.

To request special enrollment or obtain more information about it, contact your benefits department or personnel representative.

Notice on Dependent Under 31 Continuation

Horizon Blue Cross Blue Shield of New Jersey will bill over- age dependents directly

and enrollees will remit the premium directly to Horizon BCBSNJ. When Dependent Under 31 Continuation is selected, the home address must be completed under Section "A - Type of Activity" even when it is the same as the employee's address.

Important Note:

Although the employee must continue eligibility under the dependent's plan for continued coverage of the dependent, in addition to the additional applicable eligibility criteria, coverage for the dependent will be issued as stand-alone coverage. All cost-sharing requirements and limitations will apply and will not be combined with the employee's policy. Consequently, covered expenses incurred by the over-age dependent will not contribute to family deductibles and out-of-pocket maximums, nor will family incurred expenses contribute to the over-age dependent's deductibles or out-of-pocket maximums.
