ARTICLE XI

REPRESENTATION FEE

1. Representation Fee

If a permanent employee does not become a member of the Association during any membership year (from July 1st to the following June 30th, for twelve (12) month employees; or September 1st to the following June 30th, for ten (10) month employees) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Association for that membership year. If the obligation to pay a representation fee as aforesaid does not commence at the beginning of a membership year, the amount of said representation fee shall be in an amount equal to no more than eighty-five percent (85%) of the regular Association membership dues, fees and assessments as certified to the Board by the Association, provided that in the event the governing statute is amended so as to either increase or decrease the permissible amount of a representation fee, this Agreement shall be deemed to have been automatically amended to conform to such statutory change.

2. Procedure

a. Notification: Prior to September 1st (12 month employees) or November 1st (10 month employees) of each year, the Association will submit to the Board a list of those employees who have not become members of the Association for the then current membership year. The Board will deduct from the salaries of such employees, in accordance with Section 2 below, the full amount of the representation fee and promptly will transmit the amount so deducted to the Association.

b. Payroll Deduction Schedule: The Board will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in

question. The deductions will begin with the first paycheck paid: (a) ten (10) days after receipt of the aforesaid list by the Board; or (b) thirty (30) days after the employee begins their regular and temporary employment over ninety (90) days in a bargaining unit position.

c. Mechanics of Deduction and Transmission of Fees: Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will be the same as those used for the deduction and transmission of regular monthly membership dues to the Association which shall be deducted on the first pay period of the month.

d. Changes: The Association will notify the Board in writing of any changes in the list provided for in Section 1 above and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than ten (10) days after the Board receives said notice.

e. New Employees: On or about the last day of each month, beginning with the month this Agreement becomes effective, the Board will submit to the Association a list of all employees who began their employment in a bargaining unit position during the preceding thirty (30) day period. The list will include names, addresses, job titles and dates of employment for all such employees.

f. Termination of Employment: If an employee who is required to pay a representation fee terminates his or her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article through the last day of the month in which employment ceases, the Board will deduct the unpaid portion of the monthly fee from the last paycheck paid to said employee during the membership year in question.

3. Indemnification

With respect to dues deductions, representation fee deductions, and the Association's demand return system established pursuant to law, the Association shall indemnify, defend and hold the Board harmless against any and all claims, demands suits, or other forms of liability that shall arise out of, or by reason of, action taken by the Board pursuant to the above provisions concerning dues deductions and representation fee. It is furthermore expressly understood that the representation fee provision set forth above shall not be effective unless and until the Association shall have notified the Board in writing that it has adopted a demand return system which fully complies with applicable statutory provisions.
